Note:

1. This electronically generated Score Card is the official score declared by NTA and does not require any signature.
2. Candidate particulars including Category and Person with Disability/Person with Benchmark Disability (PwD/PwBD) have been indicated as mentioned by the candidate in the online application form.
3. The Percentile indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) than that particular candidate in that session. The Percentile of a Candidate in the Subject have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Shift' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of candidates appeared in the 'Shift'}}$$

Percentile is not the same as percentage of marks obtained.

4. NTA Score (Normalised Score) across multi shift papers are based on the relative performance of all those who appeared for the examination in one shift. The raw marks obtained in each subject (ranging from 250 to -50) have been transformed into NTA Score (Normalised Score). For detailed procedure on NTA Score (Normalised Score), please see Appendix-VI of the Information Bulletin available at NTA website <https://cuet.nta.nic.in/information-bulletin/>
5. The National Testing Agency has taken due care while uploading the Score Card. However, in case of any inadvertent error, the NTA reserves the right to rectify the same at a later stage.
6. No separate intimation about Score Card shall be issued.
